MISSION, PURPOSE & OBJECTIVES OF
THE LOS ANGELES PERFORMING ARTS CONSERVATORY
“To be an exceptional artist, you must first know and be yourself.”

Since the inception of the Los Angeles Performing Arts Conservatory the above quotation has expressed the quintessential element of individuality on which the guiding philosophy of the Conservatory is based.

The Promenade Conservatory, Inc. is the parent organization of the Los Angeles Performing Arts Conservatory, a for profit private entity. The Los Angeles Performing Arts Conservatory was created to deliver higher education via two degree programs: Associate of Occupational Science/Screenwriting; and Associate of Occupational Science/Acting.

The Los Angeles Performing Arts Conservatory also offers three non-degree programs: Acting, Screenwriting & Filmmaking. These programs are designed to meet the career and skill needs of those not seeking a degree.

All degree and certificate programs are issued under the authority of the Bureau of Private Post Secondary Education, State of California.

The overarching goal of the Conservatory is to go beyond the mundane and obvious, to train and challenge the actor, screenwriter, and director to develop all of the emotional colors that exist within a character’s inner life. The Conservatory also helps refine international student English language skills, necessary for an education and career in the performing arts in the United States. Graduates of Conservatory training are already making an artistic impact in commercials, cinema, television, comedy improvisation troupes, through performances and contributions that are interesting, specific, exhilarating and emotionally alive. We are confident that our Degree and Certificate Programs, better prepare students for performing arts careers than any other local programs. The Conservatory also offers Gap Year and College Prep programs to graduating high school students, a Corporate Sabbatical program, and Corporate Teambuilding Events...all designed to teach leadership, follow-ship, and life skills through the performing arts metaphor.

The Conservatory nurtures an environment in which the ‘artist’ is trained to create, explore and develop a truer confidence, filled with spontaneity, emotional depth and abundant imagination. Individual programs are designed to enhance concentration, promote self-discipline and support emotional freedom to deliver outstanding skills for the performing arts professional in the film, television, and theatre industries. The Conservatory also uniquely fills the language development needs of International students who wish to pursue performing arts careers in the United States.

The experiences and abilities of faculty at our institution breathe life into the institution and its curriculum. A unique aspect of the faculty at the Conservatory is the fact that, among the wealth of choices available to provide instruction in the Greater Los Angeles and Hollywood communities, several outstanding teachers, considered to be deeply experienced and at the top of their profession, have taught at the Conservatory for many years and remain loyal to the school and its management.

A primary experience and achievement for students at the Conservatory is in its placement and career focus. Since its inception the Conservatory has developed a strong reputation earned through its graduates working in film, television, theatre and commercials sometimes even as students.

Additionally, the close bonds between the industry and the Conservatory have solidified, resulting in the Los Angeles Performing Arts Conservatory holding a unique, if not exclusive ability, to connect a large number of trained students with employment in the entertainment industry.

Forming strategic partnerships with active local studio/production companies is critical to creating and maintaining a dominant position when it comes to opening doors for Conservatory students in the local entertainment industry. Such working relationships accrue to the distinct benefit of Conservatory students and thus promote its growing reputation in the key Los Angeles area market. Actors, Screenwriters, and Directors not yet ready for work can be guided to continue professional development at the Conservatory, whereas the strategic partner benefits by having a greatly expanded pool of talented students, to include extensive tailored preparation, from which to draw.

Our sister company, The Promenade Playhouse has also created an in-house theatre company, The Promenade Players, whose mission is to unite European, Latin American, and American playwrights to produce work with actors and directors that is well crafted and thought provoking. Students of the Conservatory can audition for these productions. This venue is part of the Conservatory campus.

These symbiotic arrangements enable the Conservatory to provide a unique benefit of great practical value to both its students and important aspects of the entertainment industry in the Greater Los Angeles market.

Also forming strategic partnerships with other schools and organizations abroad helps to extend the ability to influence the professional and artistic development of the performing arts community. The Conservatory has already made liaisons with Eicar, The International School of Cinema of Paris, France; Bridge Media, Paris, France; Acting International, Paris, France; Artes Pasion, Mexico City; TV Azteca, Mexico City; Foro Shakespeare, Mexico City, Acapulco Film Festival, Mexico; River Hollywood Training School, Tokyo, Japan; Casa Azul, Mexico City; Guanajuato International Film Festival, Mexico; Fabbrica dello Spettacolo, Milan, Italy; Musical Theatre School, Milan, Italy; What Larks, the English Speaking Theatre Company in Provence, France; Theatre Raymond Kabbaz, Los Angeles, California; the American Federation for Radio and Television Artists, Los Angeles, California; and the Stanislavsky Institute in Sao Paulo, Brazil.

ASSOCIATE DEGREE IN OCCUPATIONAL SCIENCE /SCREENWRITING

MISSION

To facilitate screenwriters in effectively expressing themselves by helping them to discover their personal connection to their work and to give them the tools necessary to bring that personal expression to life.

PURPOSE

The Associate Degree / Screenwriting at The Los Angeles Performing Arts Conservatory is a sequential process of training that will expose each writing student to the essential aspects of this unique form of writing.

Screenwriting is a demanding art form in which the writer must learn to compress the complex world of their story and characters into a lean and concise written document. In order to create effective and compelling stories, the screenwriter must learn how to tap into his or her own personal experiences and meld them with the demands of the story and genre in which they are working. The final goal of the screenwriting major is the creation of several finished short and feature film scripts. This deceptively demanding writing form requires the writer to compress an entire universe into a stripped down less than 90 – 120 page document.

OBJECTIVES

To complete a formal, well-rounded, comprehensive degreed program tailored to the screenwriter.

From the history of cinema and the basics of storytelling, to the art of dialogue and story structure, each student will have an opportunity to embrace every aspect of the screenwriting process and to be guided through that journey by seasoned professionals.

The students will learn the basic tools and requirements of good screenwriting and through a series of exercises and assignments will explore each tool repeatedly until it becomes second nature.

Filmmaking is a highly collaborative medium and the collaboration begins with the development of the script.

Besides acquiring the necessary skills and tools to write a compelling script, students at the Los Angeles Performing Arts Conservatory will also be trained in the essential skills of communication and collaboration.

To benefit from the technical and professional support, faculty, structure, and fellow alumni only available from a degree granting institution.

STUDENT'S RIGHT TO CANCEL

Any student has the right to cancel the enrollment agreement and obtain a refund of charges paid Through attendance at the first class session, or the seventh day after enrollment, whichever is later.

Cancellation shall occur when you give written notice of cancellation at the address of the school shown on the top of the first page of the Enrollment Agreement. Please send the notice of cancellation addressed to: **Los Angeles Performing Arts Conservatory, ATTN: Registrar**, 1404-08 Third Street Promenade, Santa Monica, CA 90401. If you cancel this Agreement, the school will refund any money that you paid, less any non-refundable charges and deduction for equipment not timely returned in good condition, within forty-five days after your Notice of Cancellation is received.

REFUND POLICY

The institutional refund policy for students who have completed 60 percent or less of the course of instruction, and who have not cancelled as explained above, shall be a pro rata refund. **Students who have completed more than 60% of a program are not entitled to a refund.**

"Completed" is defined as an active student who is not on Leave of Absence or who has not withdrawn from the conservatory.

You are obligated to pay only for educational services received and for unreturned equipment. The refund shall be the amount you paid for instruction multiplied by a fraction, the numerator of which is the number of hours of instruction which you have not received but for which you have paid, and the denominator of which is the total number of hours of instruction for which you have paid.

1. All course fees have a \$100 non-refundable Registration Fee and \$150 non-refundable Application fee included in the total Course fee.
2. Any student who notifies the Conservatory of cancellation or program withdrawal in writing is entitled to a full refund less the \$100 non-refundable Registration Fee and \$150 non-refundable Application fee. Students have the opportunity to cancel and obtain a refund of charges paid through attendance at the first class session or the seventh day after enrollment, whichever is later.

3. All students must provide written notification of withdrawal, cancellation or request for refund.
4. Upon completion of the first class, only Students who have completed 60% or less of a course are entitled to a refund based on the refund formula below. After 60% of the course has been completed the course is non-refundable.
5. Refunds must be requested in writing to the Conservatory office and refund will be calculated upon receipt date.
6. Any refund to a participant will be refunded minus the non-refundable Registration fee of \$100 and non-refundable \$150 Application fee within 45 days of notification in writing.
7. Any prepayment discounts or special pricing given to a student will be void if the student withdraws. Student will be refunded minus the deductions, which will be calculated based on the non-discounted cost per class/quarter.

All Course fees must be paid three months at a time; 6 weeks prior to each quarter start date. If, after the student has been accepted and enrolled and the date of the first class session is disclosed on the enrollment agreement, if a student opts to prepay their PROGRAM in full (1 or 2 years), they get a 10% discount for doing so. If the student wants the discount their payment must be in full. If the student pays by the quarter, their first quarter must be paid in full in order to process their visa paperwork.

All Course materials that have an associated fee are non-refundable (i.e. textbooks).

Examples of Possible Refund calculations are as follows:

EXAMPLE ONE: per course – not part of Certificate or Degree Program

A student who has completed 90 hours (50% mark of a full-time quarter), in their first quarter, is entitled to a 50% refund based on unused tuition.

EXAMPLE TWO: as part of a Degree Program

The Acting Degree requires 90 Credit Hours for completion. If a student has completed 36 credits or credit equivalents (15 hours of classroom instruction = 1 credit, 30 hours of lab/on set = 1 credit, 45 hours of practical experience: Internship/Externship =1 credit), the student is entitled to a 50% refund based on unused tuition. of instruction (50% mark of the Degree Program)

EXAMPLE THREE: as part of a Certificate Program

A student prepaid for 2 quarters and attended one quarter. Two quarters equals 360 contact hours. The courses offered before the student provided written withdrawal were equal to 216 hours. There is no refund because the 60% threshold has been met.

If the student had attended only 198 hours before the withdrawal notice, then the student attended would have only attended 55% of the instruction offered. The unused portion beyond 198 hours would be prorated and refunded.

Refunds are based on the hours offered for which the student has enrolled (whether attended or not), amounts prepaid, and amounts in hours / funds for previous courses/programs already attended.

Conservatory Credit

Participants who withdraw from a course after the first class, may choose a Conservatory Credit. Conservatory Credit will be held on file for 2 years and is transferable to another course or a family member within that time.

Distance Education Refund Provisions (Not currently applicable to LAPAC)

An institution offering a distance educational program where the instruction is not offered in real time must transmit the first lesson and any materials to any student within seven days after the institution accepts the student for admission. The student has the right to cancel the agreement and receive a full refund as described above before the first lesson and materials are received. Cancellation is effective on the date written notice of cancellation is sent. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

An institution must transmit all of the lessons and other materials to the student if the student has fully paid for the educational program, and after having received the first lesson and initial materials, requests in writing that all of the material be sent. If the institution transmits the balance of the material as the student requests, the institution must remain obligated to provide the other educational services it agreed to provide, such as responses to student inquiries, student and faculty interaction, and evaluation and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons and material are transmitted.

LAPAC does not currently provide instruction via distance learning modalities.

Federal or State Loans

If a student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid programs funds. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
2. The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

But please be advised that a constructive withdrawal of a student may also be made by the school. Such a withdrawal will be determined to have occurred if, in the estimation of the school and instructor, the student has failed to attend any five consecutive class meetings and has not responded to school attempts to contact the student.

GRADING STRUCTURE

GRADING SYSTEM/STANDARDS

The Los Angeles Performing Arts Conservatory uses this Grading Scale to apply a letter grade for students enrolled in degree programs. Grades are calculated for each course by using a point scale, with 100 points possible per course. This scale indicates which letter grade is earned based on the total numerical score accumulated by a student in any degree course. Example- a student earns 94 points in a course: this Grade Description of 94 results in an "A" grade being awarded to the student for the course.

The Grade Point Average of students enrolled in degree programs is based on a maximum of 4.0 grade points as depicted below. Students enrolled in degree programs must receive a 2.0 Cumulative Grade Point Average or better to graduate from a degree program. To calculate a Cumulative Grade Point Average, Grade Points of each course is multiplied by the number of course credits, these values are added together, and then the total value is divided by the number of credits taken. Grades of "I," "U," "P," "T," and "W" are not used to calculate a Cumulative Grade Point Average for graduation purposes for degree program students.

Internships, audits, and courses taken for non-degree credit will result in letter grades of either "N," "I," "U," "P," "W," or "F."

Courses transferred from other institutions will result in the transfer of credits only, with a Grade Mark of "T," whereas grades of transferred courses do not alter grade point averages of students transferring credits into Los Angeles Performing Arts Conservatory.

GRADING SCALE		
GRADE MARKS	GRADE POINTS	GRADE DESCRIPTION
A	4.0	90-100
B	3.0	80-89
C	2.0	70-79

LEAVE OF ABSENCE POLICY

A leave of absence (LOA) is approved on a case by case basis in recognition of the wide variety of circumstances under which they may or may not be appropriate or conducive to the overall learning goals for the student and the school.

Any LOA must be a minimum of two weeks and a maximum of 180 days within any twelve month period.

The student must submit in writing a request for medical or family emergency absence. The school reserves the right to refuse a LOA without written medical authorization. If a student on an approved LOA notifies the school that they will not be returning, the date of withdrawal will be the earlier of the date of expiration of the LOA, or the date that the student notifies the institution that they will not be returning. If a student does not return from a LOA, they will be automatically withdrawn 14 days from their expected return date.

Probation and Dismissal

The Los Angeles Performing Arts Conservatory reserves the right to suspend or terminate any student whose conduct is deemed inappropriate and disruptive to instruction. Students will be expected to fully observe policies and rules of conduct of The Los Angeles Performing Arts Conservatory. Such conduct includes: excessive absences or tardiness; failure to maintain satisfactory progress; inappropriate behavior toward another student or staff member; failure to abide by school rules and regulations; failure to meet financial obligations; any other conduct deemed sufficiently disruptive of instruction so that, in the estimation of the instructor, Chief of Operations, Chief Academic Officer, and CEO/Director, continued instruction is not a reasonable or constructive proposition.

Students who have been suspended or terminated may request reinstatement in writing to the Director after a period of at least thirty days. Decisions on reinstatement will be at the sole discretion of The Los Angeles Performing Arts Conservatory.

Should it be determined, after a review by the Conservatory, that student behavior has violated any policies and guidelines herein, a student may be allowed or denied resumption of Active Status. Said change in status and permissions to participate in Conservatory activities and attend courses shall be determined by the Conservatory. Should a student be permitted to return on Active Status, at times special written guidelines established by the Conservatory may be issued, constituting "Probation." Failure to make timely tuition payments may also be considered cause for Probation. Special written guidelines constitute Probationary status and may be in force for a term of up to 120 days. Should the student continue to exhibit unsatisfactory behavior or violate probationary guidelines, the Conservatory may summarily dismiss any student on Probation.

Suspensions

A student may be suspended for cause, for up to 10 days, pending review and action by the Conservatory. Conservatory instructors and staff have the power to immediately Suspend a student for cause. "Cause" includes possible violations of these Policies, to include

criminal activity, failure to maintain satisfactory academic progress, disciplinary issues, and unsatisfactory conduct and behavior. After Conservatory review, change in status from Suspension, which may be communicated either in verbal or written form from the Artistic Director or the Board of Directors, to the student, may include Reinstatement, Probation, Withdrawal, and Dismissal.

Grounds for Discipline

The Artistic Director may impose discipline for violation of, or an attempt to violate, any Conservatory policies or campus regulations. The lack of intent to commit a violation is not a factor in determining if a violation occurred; however, the lack of intent may be considered a mitigating factor in determining the appropriate sanction if it has been determined that a violation has occurred. Violations or attempted violations include, but are not limited to, the following types of misconduct below.

MISCONDUCT:

Academic Dishonesty: All forms of academic misconduct, including but not limited to cheating, fabrication, plagiarism, multiple submissions, or facilitating academic dishonesty.

Physical Abuse: Examples of physical abuse include, but are not limited to rape, sexual assault, sex offenses, and other physical assault; threats of violence; or conduct that threatens the health or safety of any person.

Sexual Harassment: Unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature constitute sexual harassment when:

1. A person representing or attending the Conservatory makes submission to such conduct, either explicitly or implicitly, a term or condition of instruction, employment, or participation in other Conservatory activity over which the student has control by virtue of his or her Conservatory employment; or
2. A person representing or attending the Conservatory makes submission to or rejection of such conduct a basis for evaluation in making academic or personnel decisions affecting an individual, when the student has control over such decisions by virtue of his or her Conservatory employment; or
3. Such conduct by any person representing or attending has the purpose or effect of creating a hostile and intimidating environment sufficiently severe or pervasive to substantially impair a reasonable person's participation in Conservatory programs or activities, or use of Conservatory facilities.

In determining whether the alleged conduct constitutes sexual harassment, consideration shall be given to the record of the incident as a whole and to the totality of the circumstances, including the context in which the alleged incidents occurred.

Stalking: Behavior in which a student repeatedly engages in a course of conduct directed at another person and makes a credible threat with the intent to place that person in reasonable fear for his or her safety, or the safety of his or her family; where the threat is reasonably determined by the Conservatory to seriously alarm, torment, or terrorize the person; and where the threat is additionally determined by the Conservatory to serve no legitimate purpose.

Harassment: For the purposes of this policy harassment is:

1. The use, display, or other demonstration of words, gestures, imagery, or physical materials, or the engagement in any form of bodily conduct, on the basis of race, color, national or ethnic origin, lineage, sex, religion, age, sexual orientation, or physical or mental disability that has the effect of creating a hostile and intimidating environment sufficiently severe or pervasive to substantially impair a reasonable person's participation in Conservatory programs or activities, or use of Conservatory facilities;
2. An action targeting a specific person or persons; and
3. Must be addressed directly to that person or persons

Hazing: Participation in hazing or any method of initiation or pre-initiation into a campus organization or any activity engaged in by the organization or members of the organization at any time that causes, or is likely to cause, physical injury or personal degradation or disgrace resulting in psychological harm to any student or other person.

Controlled Substances: Unlawful manufacture, distribution, dispensing, possession, use, or sale of, or the attempted manufacture, distribution, dispensing, or sale of controlled substances, identified in Federal and State laws or regulations.

Alcohol: Manufacture or sale of alcohol that is unlawful and prohibited. Only the Artistic Director may give permission for the dispensation, possession, and use of alcoholic beverages on campus.

Destructive Devices and Weapons: This includes possession, use, storage, or manufacture of explosives, firebombs, or other destructive devices. Except as expressly permitted by law, possession, use, storage, or manufacture of a firearm or other weapon capable of causing bodily injury.

Violation of Disciplinary Conditions: Violation of the conditions contained in the terms of a disciplinary action imposed under this Code.

Conservatory Properties: Using Conservatory properties for the purpose of organizing or carrying out unlawful activity.

Violations of Law: Violation of Federal, State, or local laws. The Conservatory does not tolerate sexual assault in any form, including rape, acquaintance rape, or date rape. Where there is probable cause to believe that the campus regulations prohibiting sexual assault have been violated, the campus pursues disciplinary actions, that may include sanctions, up to and including dismissal from the Conservatory. A student charged with sexual assault can be prosecuted under California criminal statutes and disciplined under the campus student conduct policies and regulations. Even if the criminal justice authorities choose not to prosecute, the campus can pursue disciplinary action.

Those who believe that they are the victims of rape or other forms of sexual assault should:

1. Immediately call the police department. Call 911 or the Santa Monica Police Department at (310) 458-8491. Get the aid of Conservatory staff and other students immediately while awaiting law enforcement/paramedics.
2. Get medical attention. Local paramedics may be summoned and will provide transportation to the Santa Monica/UCLA Medical Center Emergency Room for

emergency medical treatment and evidence collection. A counselor from the Rape Treatment Center will be available at that time, free of charge by the City of Santa Monica.

Experience has demonstrated that many complaints of sexual harassment can be effectively resolved through informal intervention. Individuals who experience what they consider to be sexual harassment are advised to confront the alleged offender immediately and firmly.

Other Forms of Harassment

The Conservatory strives to create an environment that fosters the values of mutual respect and tolerance and is free from discrimination based on race, ethnicity, sex, religion, sexual orientation, disability, age, and other personal characteristics. Certainly harassment, in its many forms, works against those values and often corrodes a person's sense of worth and interferes with one's ability to participate in Conservatory programs or activities.

While the Conservatory is committed to the free exchange of ideas and the full protection of free expression, the Conservatory also recognizes that words can be used in such a way that they no longer express an idea, but rather injure and intimidate, thus undermining the ability of individuals to participate in the Conservatory community.

The Conservatory prohibits a variety of conduct by students, which, in certain contexts, may be regarded as harassment or intimidation.

For example, harassing expression, which is accompanied by physical abuse, threats of violence, or conduct that threatens the health or safety of any person on Conservatory property or in connection with official Conservatory functions may subject an offending student to Conservatory discipline under the provisions of Conservatory Policies.

Similarly, harassing conduct, including symbolic expression, which also involves conduct resulting in damage to or destruction of any property of the Conservatory or property of others while on Conservatory premises may subject a student violator to Conservatory discipline.

BANKRUPTCY

The State of California requires that we inform students whether LAPAC has a pending petition in bankruptcy, is operating as a debtor in possession, or has filed a petition within the preceding five years, or has had a petition in bankruptcy filed against it, that resulted in reorganization under Chapter 11 of the United States Bankruptcy Code. **None of these circumstances has occurred.**

PLACEMENT SERVICES

LAPAC will not guarantee any employment or specific jobs upon completion of any programs.

Instructors, in response to student questions, may offer general suggestions and references for locating employment in the field. However, LAPAC will make no representations about guaranteed or likely placement with an employer upon completion of any of its programs.

Many students may already be employed in the entertainment industry in some capacity and will be taking classes for professional development.

LAPAC has extensive contacts within the local professional entertainment sector. The goal is to ensure that students can benefit from this network of contacts. Such assistance will typically take the form of one-on-one career coaching.

Perhaps the closest LAPAC will come to providing actual placement assistance of some tangible substance will be the following: All final term degree program students will demonstrate their

potential ability to succeed as an industry professional by receiving two of three affirmative votes from a tribunal of professional evaluators. These evaluators will consist of the Chief Academic Officer or his or her designate, a talent manager or agent not employed by the Conservatory, and a Conservatory faculty member specializing in the student's field of study.

Students majoring in Acting will be evaluated during a school performance or special event.

Students majoring in Screenwriting will be evaluated by a student prepared script.

HOUSING

LAPAC has no dormitory facilities. A significant number of housing options for students are available nearby. Nearby housing varies greatly in price and lease terms. Rentals range in price from moderate to expensive. In the neighborhoods of Santa Monica, Venice, Marina del Rey, Culver City, West Los Angeles, and Beverly Hills, all areas that are reasonably near to the Conservatory, students can find a studio apartment ranging from \$800 to \$1200; a one bedroom apartment ranging from \$1300 to \$1800; residences that offer single bedrooms ranging from \$700 to \$1100; roommate arrangements ranging from \$500 to \$1500; and host family arrangements ranging from \$500 to \$800.

LAPAC has no responsibility to find or assist students with their housing needs. It is, however, intimately familiar with housing options in the nearby community and regularly

counsels and advises students about typical searches for housing. Ultimately, however, the quest for student housing is a responsibility of the student.

FOOD SERVICES

The conservatory has no in-house cafeteria or food services at this time, however, there are more than 25 dining options on the 3rd Street Promenade where students may use their student ID in some places to receive 10% discount.

the discounted pass. Students can also obtain applications, instructions, and directions to an MTA sales office on line at the MTA web site.

STUDENT HEALTH INSURANCE

At LAPAC you will need to make the determination for your health insurance based on what is best. Students have the ultimate flexibility to choose the insurance plan that best fits their needs and budget! It's important to make sure that the insurance plan you choose provides comprehensive coverage by reviewing the exclusions, ensuring that the plan is underwritten and administered through a reputable company, and speaking to a licensed insurance agent to help address any questions you may have.

CAMPUS LOCATION

Los Angeles Performing Arts Conservatory is located on the famous Third Street Promenade in Santa Monica, CA.

Santa Monica is a beachfront city in western Los Angeles County, CA, United States. Situated on Santa Monica Bay, it is bordered on three sides by the city of Los Angeles – Pacific Palisades & Malibu to the north, Brentwood on the northeast, UCLA & Beverly Hills, Sawtelle on the east, Mar Vista on the southeast, Venice on the south & MDR. Santa Monica is well known for its affluent single-family homes but also has many neighborhoods consisting primarily of condominiums and apartments.

It was voted one of the 10 best places in the world to live.

STUDENT DISCOUNTS

The students of LAPAC receive a 10% discount at most of the cafés and restaurants on the 3rd Street Promenade upon showing your student ID. Also, the AMC cinema offers \$5.00 tickets on Tuesdays.

CREATIVE & ACADEMIC FREEDOM

LAPAC believes in the free pursuit of intellectual and artistic inquiry as well as exchange of ideas between instructors and students. The exploration of controversial subjects may be explored without fear of reprisal as long as the work occurs within the scope of LAPAC education. Freedom of exploring emotions and situations is encouraged. LAPAC is always open to artistic feedback, comments and suggestions.

Students have the right to academic freedom and are expected to seek and to speak the truth as they perceive it on the basis of experience, instinct and research.

COUNSELING & ADVISEMENT

LAPAC uses a team approach to student counseling and advisement. The primary responsibility for these services lies with the Director of Admissions and Student Services. From time to time, students require unusual assistance. In these cases, the COO (who also has a legal background and experience in student advocacy), serves as a Dispute Resolution Advisor - providing counseling assistance for students and faculty who have issues, which could potentially involve the school and/or the student in some litigation.

Also, if needed, the CEO can be drawn into the conversation. In addition, the Director of Admissions and student services has access to many of the social and psychological services, which are available in the Los Angeles area. Given the small size of the school, the burden of academic advisement, to keep students on track toward completion of their programs, is able to be handled within the workload of the Director of Admissions and Student Services. The additional responsibility for providing services to students who need physical, psychological, and legal support and services are provided by the administrative (and sometimes, as necessary) faculty members of the school.

Any act of sexual assault, misconduct, or any other physical violence will immediately be reported to the proper legal authorities. Any student, faculty, staff or administrator who falls victim to sexual harassment or assault will be immediately taken to the nearest hospital for medical treatment and emotional counseling. Information on crisis counseling is available in our Administration Office.

Student counseling and tracking, along with review and control of courses to ensure that the student is moving forward in their program, is the responsibility of the Director of Admissions and Student Services. Given the size of the school, the director brings into the counseling and advisement process, any of the other administrators who are needed to facilitate the progress of the individual student.

STUDENT RIGHTS / STUDENT GRIEVANCE PROCESS

The Los Angeles Performing Arts Conservatory will strive to provide the best education possible for students. However, if a conflict or misunderstanding arises between the student and the school, the student is encouraged to attempt a resolution of issues directly with the party or parties involved. Complaints may be lodged orally or in writing to any instructor, administrator (such as the COO), or the CEO and CAO. The recipient of a complaint, after any appropriate discussion to better ascertain the nature of the complaint and the key facts alleged, shall transmit the complaint as soon as possible to the CEO and CAO.

If the student feels that an oral complaint was not resolved within a reasonable period, it is recommended that the student submit the complaint in writing to the instructor, administrator, CAO, or CEO. The instructor, administrator, CAO, or CEO will conduct a discussion with the parties to the complaint to investigate and ascertain the facts and a clear understanding of the complaint. If not resolved at the lowest possible level, the complaint will be forwarded, recorded, and then provided to the CEO or CAO for review and appropriate action. The CEO or CAO will provide the final institutional appeal for any complaint not resolved at a lower level.

Any written complaint shall be made known to the CEO or CAO regardless of whether it reaches that office, and the disposition of the complaint, if indeed resolved at a lower level, shall also be made known to the CEO or CAO.

The Los Angeles Performing Arts Conservatory requests a written summary of the complaint. The Los Angeles Performing Arts Conservatory shall, within ten (10) calendar days of receiving a written complaint, provide the student with a written response, which shall include a written summary of the investigation and disposition of the complaint. If the complaint or relief requested by the student is rejected in whole or in part, the reasons for that rejection will be explained in the school's written response.

After exercising the procedure set forth above without satisfactory resolution, the student may file a formal complaint with the following agency:

Financial records will generally be maintained separate from academic documentation. The school will maintain a general ledger depicting all income and expenditures. These records will be maintained as hardcopies and also easily accessible and downloadable for the review of any authorized institutional officer or regulating authority.

All student records will be maintained for a period of at least fifty years after completion of a program. Transcripts will be retained indefinitely. Each record will be retrievable by student name.

An exemplar of any notice or disclosure provided to students and a record of the time period within which they were provided will be maintained by the school.

Records of student attendance will also be recorded and maintained as required. Hardcopies

of all required student records will be stored in a fireproof cabinet located in an administrative office and accessible only to the top two or three officials and office manager of LAPAC. LAPAC may move to computer files in the future, in which case such records will be accessible to officials and copied or printed as necessary.

Files will be organized and maintained for graduates, active students, inactive students, withdrawals, cancellations or drops.

Each student record will have a checklist attached to the front left file cover detailing the required items to be kept as part of the official record.
